

LC McCann

Testimonial

About twenty years ago, after having pursued a course in a business college and followed the work -of stenographer and bookkeeper, I realized that there was a general scarcity of penmen throughout the country and that the field was not only inviting, but, very profitable.

I entered the ZANERIAN, finished the course, and immediately received calls from five of the leading schools and colleges in the United States. It is needless to say that I have been successful, because at the present time I own and manage two prosperous schools, and I owe my success and prosperity to the "Zanerian" and her able corps of instructors.

There are quite a few business college proprietors who are loyal Zanerians, and we believe Mr. McCann's testimonial is typical of the sentiment of the others. The two McCann Colleges that he conducts are located at Reading, Pa., and Mahanoy City, Pa.
