

Bushrod H. Spencer
(1863-1948)

Another of the old Penmen has left us, This time it was Professor Bushrod H. Spencer the well known educator and expert penman of Paterson, N. J. He was born in 1863 and at an early age began to master the art of penmanship in which he became an expert. For many years he was an instructor and teacher of handwriting in the public schools in Paterson, New Jersey. I haven't been able to find out what his relationship was to the famous Spencer Brothers, if any. He passed away on July 28, 1948 at the advanced age of 85.
